

Sticker Reapplication FAQ

As a Lalamove Sticker Driver, not everything will go in your favor. We will understand that some drivers require their Lalamove sticker to be repasted again due to unforeseen circumstances. Do reach out to us if you require our repasting services!

Here is what you can do to ensure that your upcoming sticker verification is successful:

● **Q: How do I get my sticker repasted?**

A: You can head down to our office and get your sticker repasted.

● **Q: Will my security deposit be confiscated?**

A: As long as the removal of the sticker is justified with documentation/invoice, your security deposit will not be confiscated.

● **Q: Will I receive the incentive if I get my Lalamove Sticker repasted during the submission period?**

A: You will receive the sticker incentive as long as your sticker verification photo submission photos are approved during the submission period.
