**Driving a CAR but want to upgrade to the MPV category?**

## What is a MPV in general?

MPV is a minivan, or people carrier, designed to ferry people in comfort and has 5-7 seats

## What does Lalamove consider as a MPV?

Your vehicle has 7 seats OR your vehicle has 5 seats with a boot capacity of more than 450L + foldable rear seats

## Why should I upgrade?

MPV Drivers are eligible for Sticker Incentives and would be able to accept jobs from the Motorbike, Car and MPV category

## How can I check if my vehicle is under the MPV category?

Refer to the next page to view the common MPV models in Singapore. If your vehicle is not in the list, do reach out to us to express interest via the QR Code or visit [bit.ly/LLMMPVDriver](https://bit.ly/LLMMPVDriver) and we will verify your eligibility
